PROFILE

A keen learner and would want to keep my learning curve steep throughout my life. A creative ambitious individual with determination to achieve recognition in marketing communications, brand strategy, social media and content marketing. An exceptional team player and a team leader with ability to lead the strategic direction of the team as I worked in both roles.

MARKET RESEARCH ASSOCIATE INTERN

Lahore School of Economics Innovation and Technology Centre (ITC) | 2021

- We had to contact the CEO, Sales Manager, or Product Managers of different companies in the surgical goods industry located in Pakistan to gain insights into their production, employees, export, and certification for a research compilation project.
- I successfully collected data for 93 firms and analyzed them.
- Then we had to compile the analyzed data and write a research paper for publication.
